Founded 2008 - Celebrating 15 Years of Service in 2023!

We finished off an exciting and busy year with our clients and sponsors. Every time someone donates their time and/or resources to our organization they are making a contribution directly towards one of our clients.

Each donation helps to create independence and freedom. Whether you are contributing by donating a product for one of our fundraising events, volunteering at an event, or financially supporting our organization, you are making an impact.

Neuro Assistance Foundation serves the Spinal Cord community by providing minor modifications to the home or vehicle, financial assistance towards rehabilitative services, and providing much needed durable medical equipment. These are basic needs for individuals living with Spinal Cord injuries or disabilities and creates a safe environment that we hope deters future hospital stays!

Are you a stakeholder in a large corporation and looking for a cause worth supporting in 2023? Perhaps you are a busy parent looking for an organization you and your children can support together? Maybe you are a working professional with a love for jogging? I urge you to consider Neuro Assistance Foundation as an organization worth supporting this year.

## 2022 Year-End Statistics

We are closing out a record breaking year for NAF! The number of clients helped rocketed up to 580 in 2022 from 451 in the previous year! We helped our 2,000th client 6-year-old Daniel who needed a loaner wheelchair while he waits for his custom wheelchair to be provided by the state.

Almost 50% of those helped were under the age of 18 - it's incredible!

Our youngest was 15-month-old Laura who was born with spina bifida. NAF provided catheters while she waits for assistance from Children with Special Health Care Needs (CSHCN) program.

Our oldest is 92-year-old Ruby who sustained a traumatic incomplete tetraplegia in a fall. NAF provided assistance with an EZee Life Shower Chair and ROHO overlay.

Thanks to everyone who supported NAF last year. We can't do what we do without your support. Help us to break even more records in 2023!

## We Need Your Help

*Donate ~ Sponsor ~ Volunteer*

Your \$25 donation will help provide clean catheters to a paralyzed child for one month when their insurance won't cover the expense.

Your \$100 donation will help build a wheelchair ramp so we can get our clients out of rehab and through their front door at home.

Your \$200 donation will help widen the doorways in their homes so their wheelchair can fit through the bathroom door. Insurance doesn't covers home modifications.

Your \$500 donation will help provide life-changing medical equipment: wheelchairs and specialized shower chairs, etc. Most insurance only covers a small part of wheelchairs, if any, and no "bathing aids" are covered.
