## SEARCHING FOR RIGID FRAME MANUAL WHEELCHAIR

Do you have an extra wheelchair collecting dust? Please consider donating that RIGID FRAME wheelchair to NAF. We have many client requests for these types of chairs. Examples of rigid frame wheelchairs are below.

## Introductions

\$3,200

### Meet Augustus...

Augustus, age 2, has spastic quadriplegia. His doctor requested an activity seat from NAF after insurance denied doctor's order, even after appeal. Special Tomato cushions are formulated from a proprietary blend resulting in a soft, durable, latex-free material. This waterproof yet breathable material provides support and comfort and is formulated to allow children to sit comfortably for longer periods.

### Meet Kevin...

Kevin, age 60, has paraplegia due to a metastatic tumor. His insurance did not consider bathing a medical necessity. We were happy to provide shower chair improve Kevin's quality of life.

\$2,500

\$1,500

### Meet Ximena...

Ximena, age 2, has spastic diplegia due to genetic mutation. She's becoming more mobile, and needs something to learn to walk. Her doctor requested a gait trainer, but insurance denied the order because they provided a stander last year. Children's bodies and abilities change quicker than insurance's standard of care.

### Meet Alison...

Alison, age 8, has neuromuscular scoliosis due to an inoperable, untreatable brain tumor. Due to her progressively worsening neuro-cognitive status, Alison is now unable to walk independently. NAF provided a custom tilt-in-space wheelchair because insurance has repeatedly denied her doctor's order for wheelchair.

\$2,500

## Meet Iveth...

Iveth, age 16, has spina bifida and is on a waitlist for government assistance. During this waiting period, her social worker requested basic essentials - diapers. NAF happily provides assistance to keep Iveth supplied while she's waitlisted.

## Meet our Events Manager

### Rozel Moore

Rozel Moore has lived in Keller for 15 years, and has raised her 2 children here with her husband of 32 years, David. She graduated from Saint Mary's College in Notre Dame, IN with a degree in communications and then earned her Master's Degree in Special Education from the University of Nevada-Reno. After that Rozel worked as a special education teacher a variety of environments, including classrooms for children with emotional and behavior disorders, children with autism as well as in private school settings as a preschool and first grade teacher. After spending time at home with her children, she returned to the work force as a Registered Behavior Technician providing Applied Behavior Analysis services in a clinic setting for children with Autism. In her free time Rozel loves to watch movies, try new food and restaurants, spend time with her dog and family and is an avid college football fan! Rozel is now taking her knowledge and experience working with those with unique needs in the role of Events Manager in hopes of communicating the mission of NAF to the community through events and fund raising opportunities.

**THANK YOU To Our Sponsors!**

## We Need Your Help

### *Donate ~ Sponsor ~ Volunteer*

Your \$25 donation will help provide clean catheters to a paralyzed child for one month when their insurance won't cover the expense.

Your \$100 donation will help build a wheelchair ramp so we can get our clients out of rehab and through their front door at home.

Your \$200 donation will help widen the doorways in their homes so their wheelchair can fit through the bathroom door. Insurance doesn't covers home modifications.

Your \$500 donation will help provide life-changing medical equipment: wheelchairs and specialized shower chairs, etc. Most insurance only covers a small part of wheelchairs, if any, and no "bathing aids" are covered.
