## *What she wants... Wiseman House Chocolates*

Chocolatier Kevin Wenzel started Wiseman House Chocolates in Hico, Texas in 1996. At Wiseman House Chocolates, we believe that chocolates are meant to be an experience – to be shared with friends, given as a gift or enjoyed alone in your thoughts. We take time in hand crafting each of our fine chocolates so that our customers will be pleased as they take time to savor every bite. So please, slow down, enjoy your chocolates, and savor life.

1. **Southern Hospitality Truffles:** Milk Chocolate and Jack Daniels Whiskey. **30-piece box for \$50**
2. **Signature Collection:** Every person's signature is unique, and this collection is our John Hancock. It's a medley of flavors that includes white, milk, and dark chocolate truffles. A crowd favorite since 1996, it has a truffle for every chocolate lover. **16-piece box for \$30 or 30-piece box for \$50**
3. **Almond Toffee:** No offense to grandma, but we believe that our handmade Almond Toffee will be the best you've ever had. After we stir roasted almonds into buttery toffee, we then cover it in milk chocolate and finish with a ground almond crust. Words can't adequately describe the experience of your first taste of our Almond Toffee. **1-pound box for \$30**

All chocolate orders are for local DFW pick up only in EARLY DECEMBER. If you need shipping, please inquire, as we may be able to accommodate for an additional charge.
